Prospectus
2021-22

the **Future** is here...

"The first step to getting the things,
you want out of life is this;
Decide what you want."

Dear Prospective Parents,

I am glad to see that NCSA has completed eight years of its existence and has been growing not only in terms of infrastructure, but also-and more importantly- as a 'Thinking School', shaping perfectly in consonance with the visions of our great patriarch **Shree Sumati Narayan Tiwari ji**, who had envisioned to create a 'School with a soul'.

The entire purpose of education is not to restrict itself to imparting bookish knowledge only but inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability in a student.

We, just like you, believe in holistic education for your child, encompassing – academics, co-curricular activities, sports education and life-skills learning. Our endeavor is to strike a balance between state-of-the-art infrastructure and an internationally acceptable education.

At NCSA we impart education that is based on conscience and we rear a breed of young minds that are bustling with self confidence, motivation and ever ready to take up challenges.

The campus, sports and academic facilities all bear testimony to this effort. In order to promote an internationally acceptable education, our key focus has been on faculty development – providing continuous teacher training in order to deliver real value education and excellence in academics. Teachers are trained not only to teach well but are also expected to inspire confidence and trust in their students and become role models. Further, the School inculcates in the students a respect for tradition and ensures discipline and good manners.

NCSA encourages students to learn about themselves and their constantly changing environment, while at the same time offering support and guidance as they practise decision-making and social skills.

Er. Hari Kishore Tiwari

Chairman

State President (State Employees Joint Council
& PWD Engineers Association, Uttar Pradesh)

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations"

Dear Parents and Carers,

An exuberant welcome to the session 2021-22!

Your family is about to embark on a wonderful and exciting adventure. Let us work in partnership with you to nurture and educate your child. "Purpose of education is not to fill child's brain with outside world but to make capable to know & recognize outside world from inside"

Our school motto, 'Quality education for all in a secure and caring environment', sums up the ethos and commitment of all staff to nurture the potential of every child, developing personal excellence in a caring environment.

Success for all students is ensured by the delivery of an enriching and structured curriculum and a whole school focus on student welfare that focuses on the positive recognition of student's achievements.

Our school is strengthened by a very supportive parent and wider community and we encourage you to become actively involved in all aspects of your child's education. You'll find many opportunities to support in the classrooms in many ways. Get to know the staff, especially your child's teachers and assist where you can so we can work together in the interests of everyone.

We are continually very proud of our values, our outstanding facilities and the high standards achieved by our students.

If at any time you would like to speak to me please visit us in school time.

Thank You !

Dr. Dharmendra Sharma
Principal

Reach high, for stars lie hidden in
your souls. Dream deep, for every
dream preceded the goal ...

A School Ahead of Time

Narayan College with its supportive and challenging atmosphere, comprises of a dynamic, forward looking community of lifelong learner. The school has a safe, child centered environment which inspires each student to discover his/her talent while achieving maximum success. Student's interests and developmental needs dictate the direction of teaching and learning.

The Education Triangle

Each student is a unique individual with different needs. At NCSA, the focus is on the development of students' character as well as intellect. We discover the strength of all students and facilitate their holistic growth.

Students at NCSA are inspired and supported by an exceptional and outstanding faculty. Teachers are the heart of the school. They provide context, content and coherence to the learning environment and serve as role models, moulding students into global citizens and world leaders.

NCSA considers that when parents work together as partners with the school in their children's education, the best possible learning environment is created.

Maximizing the individual potential and ensuring that students of all ability levels are well equipped to meet the challenges of life...

Narayan College is a working model of a dynamic approach for teaching and learning. Excellence is fostered in a stimulating and supportive environment. Pupils learn, enrich and extend their knowledge by engaging in group work, projects, symposia and presentations.

Kindergarten

Students at this level, taught through play way method. The school has a separate section for the tiny tots with the latest teaching aids and toys. All efforts are made to make education a joyous experience. Each classroom is equipped with educational toys multimedia equipment & air-conditioners.

Classes :I - VIII

The formal education system based on guidelines from CBSE with NCERT prescribed curriculum is followed. Art, Craft, Music, Dance, Computers, Yoga and Sports are added on for full personality development. From Class V the third language (Sanskrit/French/ Spanish) is introduced as per requirement of the 3-language-formula, following the Central Government Education policy.

Classes :IX - XII

The syllabus followed in these is as prescribed by the Central Board of Secondary Education. Science (Maths & Biology), Commerce & Humanities subjects are offered at +2 stage.

Our Curricular Programme..

Our Infrastructure

Excellence is in the details. Give attention to the details and excellence will come...

The admirable and delightful building surrounded by beautiful landscaped gardens and play fields are attractive and magnificent. All classrooms are equipped with projector and multimedia devices to provide a conducive environment and life-like visual display. Stand by generators ensure uninterrupted power supply. Entire campus is monitored with high resolution CCTV cameras. The impressive infrastructure includes:

Smart Tech classrooms

Chemistry Lab

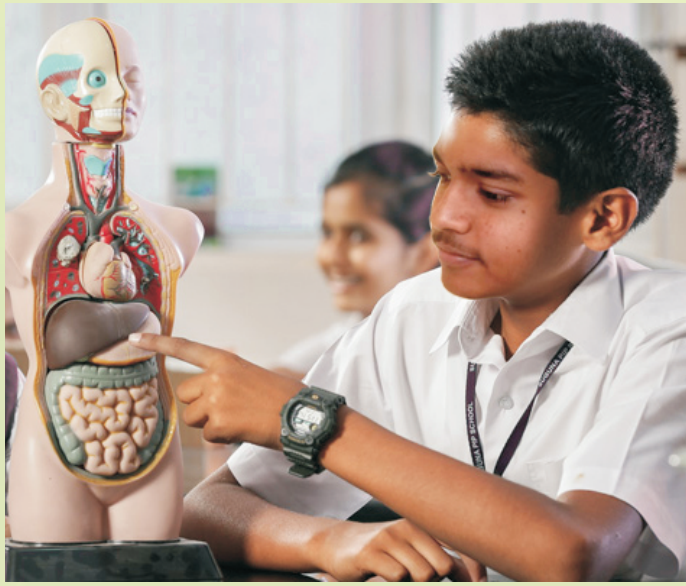

Music Lab

Library

Cafeteria

Hostel

Dance Room

intellectual growth
begins here and never
ceases...

Academics & Hostel Buildings

Healthy Body & Healthy Mind

Winners never quit and quitters never win...

Children who are physically active and fit, tend to perform better in all spheres of life. The school has a programme for a good network of games and related activities. A carefully planned system of physical culture, comprising major and minor sports activities is followed. Coaching and practice sessions are conducted on regular basis. Students are trained to actively participate in different inter-school and district level competitions.

Outdoor Sports Activities

Basketball, Football, Volleyball, Cricket, Badminton, Kho-Kho, Yoga, Athletics Skating, Swimming, Shot-put, Javelin Throw, Long Jump, High Jump, & Lawn Tennis

Indoor Sports Activities

Table Tennis, Chess, Carom, Musical Chair.

Student Council

The formal link between faculty and students is the democratically-elected Student Council. The Student Council is involved in a wide range of projects and organization of disciplinary systems and peer-counselling.

House System

The school community is divided into four houses. It begins at primary level and is carefully monitored at every stage. The houses have been named on the qualities the school wants to develop in each student.

Activities

Students participate regularly in inter-house, inter-class, inter-school and district level activities.

Morning Assembly

Morning Assembly is conducted to inculcate values, create awareness about important national and international days, festival, etc.

Educational Trip and Excursions

Trips to Museums, Planetariums, Art Galleries, Exhibitions, etc. are organized by school. Students visit, banks, factories, manufacturing units, medical university, OPD's, amusement parks, etc. as a part of extended learning programme.

Workshop & Seminars

Workshops and Seminars for students and teachers form a vital part of school programme.

Because
we care ...

Information Technology in Parent-School Communication

The school has challenged the traditional method of communication, and embraced new ways of thinking that support changes in user behaviour and technological advances. NCSA is headed in the right direction to make the students' transition from one level to the other, trouble-free.

NCSA staff works diligently to keep students and parents informed via telephone, SMS and the school website. The school website (www.narayancollege.org) is eye-catching and interactive, it explains the roles of staff members, uploads, circulars, notices, monthly activity planners, date-sheets and worksheets to make things easier for students and their parents.

A plethora of curricular and co-curricular actives

Public English Speaking Club

Quiz / G.K. Club

Computer Club

Environment Club / Eco and Science Club

Personality Development Club

Readers' Club

IIT / Medical Preparation Club

Math Club

Yoga Club

Games Club

Creative Club (Art & Craft)

Dance Club (Indian Classical/ Western)

Music Club (Instrumental/ Vocal)

Swimming Club

Technology is nothing. What's important is that you have faith in people, that they're basically good and smart, and if you give them tools, they'll do wonderful things with them.

Social Initiatives

At NCSA, we nurture strong social values among our students so that they grow up to become responsible global citizens. Our community service program exposes the students to a reality outside their school experience. These initiatives bring them out of their cocoons and impart awareness about the world around them.

Our Community Initiatives include:

- Adopting a Plant
- Local Cleanliness
- Environment Awareness Campaigns
- Social Services in schools for disabled.

Registration forms are available at the school reception and can be downloaded from the school website www.narayancollege.org. The registration will commence from the month of February.

Care should be taken to fill the form correctly in legible writing. Those seeking admission to the school in pre-primary classes must submit the Birth Certificate issued by the municipality. For admission in Class I and above, submission of Transfer Certificate from the former School is mandatory and admission is subject to availability of seats.

After registration, a written test will be conducted on pre-defined date. The test will be of one hour duration and the subjects asked in entrance test will be English, Mathematics and Science.
